

NEW / UPDATED TRAFFIC PATTERNS
Loyalsock Township High and Middle School Campus

Effective 9/29/2022, a revised traffic pattern is necessary at the Middle and High School. All traffic that, to this point, wrapped around the HS/MS complex will now be closed as construction continues on the building project.

- High School Student drop off/pick up remains the same at the HS west end at the inner loop. However, once drivers drop off/pick up students in the inner loop, drivers will now exit the way they entered back on to Loyalsock Drive and turn right to exit the school campus. **FOLLOW GREEN ARROWS BELOW.**
- High School Student and Staff NEW EXIT. Exit the same direction you enter in the morning off of Four Mile Drive.
- Middle School Student drop off/pick up will change - until further notice, drivers will no longer drop off/pick up in front of the MS.

1. Guardian drivers will now enter the campus from Fredna Avenue and into the stadium parking lot in single lane fashion.
2. Guardian will drive through single lane in front of the Fire Pit, left through the S-turn, and left onto the access road.
3. Students will now be dropped off / picked up at the **EAST SIDE ENTRANCE** (7:20-7:40 a.m. and 2:40-3:00 p.m.) adjacent to the CAFETERIA.
4. **PLEASE USE RIGHT LANE UP AGAINST CURB.**
5. **Once dropped off/picked up, drivers will exit on to Loyalsock Drive.**
6. **FOLLOW RED ARROWS below.**
